## PRESS RELEASE

For Immediate Release

June 21, 2006

### **Statement From Lt. Governor Peter Kinder Regarding Vote by Board of Public Buildings**

**Jefferson City-** The following statement is from Missouri Lt. Governor Peter Kinder.

“I support the proposal brought to the Board of Public Buildings by The Office of Administration and passed by the Board this morning. I would be in favor of such a move regardless of who was Missouri Lt. Governor or Missouri State Auditor. As Commissioner Keathley mentioned in the meeting, the Lt. Governor’s basement office, where half of my staff is housed, is unfit for daily operations due to constant water leaks. The Missouri Lt. Governor occupies office space solely in the State Capitol building. The Auditor’s Office runs its day-to-day operations from much larger spaces in the Truman Building, with the Capitol office being largely ceremonial. I thank the Board for their action on behalf of myself and all future Missouri Lt. Governors.”
